Leave one blank line (Verdana 10pt) and then type AUTHORS' NAMES (in Capital, 10pt Verdana, centered); Departments (10pt Verdana, centered, comma separated); Universities (10pt Verdana, centered, comma separated); Addresses (10pt Verdana, centered, comma separated); COUNTRIES (Capital, 10pt Verdana, centered, comma separated); E-mails: youremailaccount @yy.xx (10pt Verdana, centered, comma separated); http://www.yourwebaddress.xx (10pt Verdana, centered, comma separated). The heading of each section should be printed, 10pt, left justified, bold, Arial. The normal text is Arial justified, 10pt. You must use numbers 1, 2, 3, … for the sections' numbering and not Latin numbering (I, II, III, …).

2 Problem Formulation

Please, leave one blank line before and after the section heading.
Mathematical Equations must be numbered as follows: (1), (2), …, (99) and not (1.1), (1.2),…, (2.1), (2.2),… depending on your various Sections. Each column has 6.9 cm and 0.5 cm between them.

2.1 Subsection
When including a subsection you must use, for its heading, 10pt, left justified, bold, italic Arial as here.

2.1.1 Sub-subsection
When including a sub-subsection you must use, for its heading, 10pt, left justified, bold, italic, Arial as here.

3 Problem Solution

Figures and Tables should be numbered as follows: Figure 1, Figure 2, … etc Table 1, Table 2, ….etc.
If your paper deviates significantly from these specifications, our Publishing House may not be able to include your paper in the Proceedings. When there are citing references in the text of the abstract, type

the corresponding number in square brackets as shown at the end of this sentence [1]. The pictures have the column width. If it is impossible to have the pictures with column width, please use one column paragraph only for the figure section.

4 Conclusion

Please, follow our instructions faithfully; otherwise you have to resubmit your full paper. This will enable us to maintain uniformity in the conference proceedings as well as in the post-conference books and journal. Thank you for your cooperation and contribution. We are looking forward to seeing you at the Conference.
